Yorba Linda Hires New Planner

YORBA LINDA — Brian Hawley has been appointed planning director for the city of Yorba Linda.

Hawley was born in Keighley, Yorkshire, England, in 1938. He obtained his B.A. degree in economics from the University of California, Riverside and has done graduate work at U.S.C. Extension in planning and administration.

Hawley started his planning career with the city of Riverside as an assistant planner. During his eight years with the city of Riverside, he worked on the master plan study of the Arlanza-La Sierra Community; the Riverside master plan for education and recreational facilities; a report on wilderness parks and parkways; and was responsible for amendments to the zoning ordinance, community design and annexation studies. Later, as senior planner for the city of Newport Beach, he worked as project director for "Newport Tomorrow"—a citizen's goals and objectives study for the future growth and development of Newport Beach; and initiated the work program and phased development of the new general plan for Newport Beach.

Simpson Named To Board To Study Grievances

PLACENTIA — Laurel Simpson, director of personnel services for the Placentia Unified School District, was appointed as the representative of the school board to a three-member panel to study personnel grievances. The appointment to the panel, which

Rain Delays Rose Drive Construction

PLACENTIA — According to Public Works Director Gerald Hendricks the only thing holding up completion of the widening of Rose Drive north of Orangethorpe is the rainy weather.

He commented that the remaining work, which includes laying a base of asphalt at the Orangethorpe intersection and laying the final layer along the rest of the route, can be completed in a few days once the existing pavement dries out.

He said that a certain amount of time must elapse after a rain so that the pavement is completely dry to ensure that the new paving will stick to the old.

The project has been under construction for several months with cooperation by the city of Placentia and the county under the Arterial Highway Financing Program.

Members of Teen Scene decorated the Backs Building last week. Working on the Christmas tree in the building are, from around the tree, Mindy Shreading, Vicki Jones, Val Jones, Jerry Folwell, Garth Shreading, Lori Shreading and Susan Rose.

Planning Commission To Hear Zone Change, Tentative Tracts

PLACENTIA — The Planning Commission has four items on its agenda for the regular meeting of December 22 at 7:30 in the Backs Community Building.

First is a zone change requested by the McCarthy Company to rezone the area east of the freeway, south of Santa Fe and north of the railroad tracks from

R-3 to R-1, P-M to R-1 and P-M to R-3.

The McCarthy Company also has submitted a tentative tract map containing 63 lots on the same 15-87 acres as the zone changes. The item has been continued for several meetings.

Max Spillman has requested permission to move a house onto a vacant lot at the northwest corner of Kansas Avenue and Iowa Place.

The Atwood Development Company is submitting a tentative tract map containing 36 lots on 5.4 acres south of the flood control channel and between Richfield Road and Maria Avenue.

The tract is the first phase of a redevelopment of the area.

Golfers Hold Christmas Luncheon

YORBA LINDA — The Christmas luncheon of the Yorba Linda Women's Golf Association was held Thursday, December 17, at the Yorba Linda Country Club.

An original program entitled "Reminiscences of the Golden Years of Hollywood" was presented. Betty Mercier, club member, author and director of the program, was commentator, playing the role of Louella Parsons.

Such famous stars as Shirley Temple, Judy Garland, the Andrews Sisters, Laurel and Hardy and many more were enacted by other members.

Appearing in the hour long show were Thalia Miller, Alice Samuels, Jane Layton, Jimmy Johnson and Ronnie Blair. Also appearing were Joan Hilbert, Pat Dodridge, Rosemary Clifton, Mary Beth Crispino, Shirley Spindelman, Eleanor Leatherby, Betty Calvy, and three members of the men's golf association, Al Blair, Ken Landgrin and Bill Bonnar.

YL Teen Dance Set Dec. 30

YORBA LINDA — A special Holiday Dance for Teens has been scheduled for Wednesday, December 30 from 8:00 to 11:30 p.m. at the Yorba Linda Jr. High School. The dance is sponsored by the Yorba Linda Recreation Department.

Placentia Council Approves Moratorium On Camper Law

PLACENTIA — City councilmen declared a moratorium on enforcement of the city ordinance prohibiting the parking of campers, trailers, boats and mobile homes in front yard setbacks and set up a five man committee headed by Richard Alumbaugh to study ways to amend the ordinance to make it fairer to the owners of such vehicles at its regular meeting Tuesday evening.

The action was in response to a vigorous protest by camper owners who were being cited for violating the ordinance. They claimed that the law was not only discriminatory but was opposed by the majority of local citizens.

Mayor Robert Finnell, in appointing the committee, asked for a report by the second council meeting in January with a recommendation for changes in the ordinance.

Councilmen Richard Demmer and Jack Gomez favored a moratorium only for campers on the grounds that most of the complaints were from camper owners.

City officials began enforcing the ordinance in August, with the result that City Council meetings on November 4 and last Tuesday were packed with citizens protesting the ordinance.

Councilmen commented that the ordinance was passed three years ago upon complaints of other residents that such vehicles constituted a nuisance when parked in front yard setbacks.

Camper owners are proposing that the outright prohibition of overnight parking be changed to prohibit when there is a health or safety hazard or when a majority of adjacent homeowners complain that it is a nuisance.

Council Approves Application For Chapman Ave. Extension

PLACENTIA — The City Council has authorized the staff to apply for arterial highway financing program funds from the County to extend Chapman Avenue from Kraemer Boulevard to Orangethorpe Avenue in the 1971-72 fiscal year.

The new street would pass on the south side of the new local Civic Center site and extend east to a point just east of the intersection of Orangethorpe and Crowther.

According to Public Works Director Gerald Hendricks, total cost of the extension would be about \$510,000 with the city paying half the cost.

The extension was suggested

last summer by the Chamber of Commerce as one way to bring people into the city from the east and to open up the industrial lands through which it will pass. The route was recently added to the city's master plan of streets and highways as a primary arterial.

In other action last Tuesday, the council appointed Councilman Robert Langer to another term on the Mosquito Abatement District, set a drainage acreage fee of \$975 per acre for the Atwood area, revised street tree planting policy to require the developer to plant trees, and approved a parcel map requested by Dunn Industrial Properties.

Mrs. Vincent Pachiano places small books she designed on the Christmas tree in the Yorba Linda Library while Mrs. Richard Carlson, reorganization chairman of the Yorba Linda Friends of the Library and her son Randy watch.

Chamber Hears Talk On Shoplifting Problems

T.A. Shinn, program chairman for the Board of Directors of Placentia Chamber of Commerce, announced at the December 17 meeting at Alta Vista Club that a new format for the meetings was being introduced. Shinn stated that at each monthly meeting a speaker on timely topics would be present.

Thursday, Larry Bigbee, personnel director for Linbrook Hardware was the speaker. His topic, "Shoplifting" brought out many of the facets of why

and how shoplifting is done.

He said that it would be difficult to stop the "professional" shoplifter, but made a plea for business, schools and organizations to study and assist the teenagers who are practicing the shoplifting habit.

Other business included the notation the Chamber of Commerce had transferred \$1,000 to a certificate of deposit at the California Bank.

Shinn detailed the meeting of the Federation of Chambers meeting, which he, Oz Rotherham and Mrs. Jeri Dunskey had attended. He announced the next meeting of the Federation would be held January 27 at San Clemente.

You Can't "Wear Off" A Pain Or Catch In The Back

You can't just "wear off" a rheumatic pain nor can you expect a piece of potato stuck in your pocket to help, any more than you can expect a car frame to straighten out by itself after an accident.

Knowing full well you must treat the cause of pain in order to eliminate it, we asked Dr. Donald Brinkley of the Brinkley Chiropractic Center, to explain to us what causes these pains.

"Falls, jars or twists may cause the bones in your back to slip slightly out of place and irritate the nerves

passing out between them," replied Dr. Brinkley. This is the basic cause of pains through the lower back and hips. The irritation in the nerve is always present, but the pain becomes noticeable when there is an alteration in the blood due to weather changes, colds, flu, or some infection in the body. A slight injury may also affect the already sick nerve," he stated.

"Unless the bony misalignments are corrected by Chiropractic adjustments," continued Dr. Brinkley, "or an accidental adjustment, the condition may progress into sciatica, various forms of paralysis, or some organic disturbance, even though the pain may not be present constantly to warn you."

Duncans Attend Reunion

Three persons from Placentia, all of whom were on the last voyage of the R.M.S. Queen Mary, attended the December 9 annual arrival reunion of the ship in Long Beach. Among those at the dinner marking the arrival were Miss Margaret Anne Cooper and Mr. and Mrs. William J. Duncan.

Duncan wrote a book about the ship which included four chapters dealing with the ship's last voyage from Southampton, England, around Cape Horn to Long Beach.

Mr. and Mrs. Duncan also attended a press briefing and tour of the ship Friday announcing that the tour areas of the Queen Mary would be opened on April 15 and the Museum of the Sea aboard the Queen Mary in August.

Long Beach bought the ship when Cunard put it up for sale a year ago.

Ancient German Tradition Climaxes Church Service

The Yorba Linda Moravian Community Church at 5401 Fairmont Blvd. will hold a traditional Moravian Christmas Eve candle service at 7 p.m. Thursday. This service had its beginnings in Marienborn, Germany, in the early 1700s.

In the earliest Christmas candle services only children received candles but later all in attendance received a lighted taper. The candles were handmade of beeswax and trimmed with a red frill.

Today, the Central Moravian Church in

Bethlehem, Pennsylvania, alone uses 5,000 beeswax candles for its four vigil services scheduled before Christmas. It also supplies candles to many mission churches. The candles to be used at the local church were a gift of the Bethlehem Central Bible Class.

The community is invited.

Placentia Conducts 3-Month Experiment

Placentia is conducting a three month experiment using propane fuel in four vehicles, including three pickup trucks and a street sweeper to determine if cost savings and exhaust emission reduction is sufficient to warrant equipping all city cars to run on liquified petroleum gas.

According to city officials conversion kits and 52 to 56 gallon fuel cylinders were installed on the vehicles, giving them a range of 450 to 500 miles.

A fuel storage tank containing 500 gallons is located in the city corporation yard, eliminating the difficulty of refueling.

There is no cost to the

city for the three month experiment, which is being sponsored by the Petrolane Corporation, which has all conversions with LPG in the county.

The experiment is a direct outgrowth of the work of Robert Lyons, now a member of the Planning Commission, who has been studying the possibility of such conversions for about a year.

Wendy Lynn Born Dec. 15 To Ron Snells

Mr. and Mrs. Ronny Snell are announcing the birth of a daughter. The young lady was born December 15 at Martin Luther Hospital and has been named Wendy Lynn.

The Ronny Snells live at 125 Alta, Placentia. The paternal grandparents are Mr. and Mrs. Bob Snell of Placentia, and the maternal ones are Mr. and Mrs. Don Farner of Missouri.

College Mobile Unit Begins Work

The North Orange County Community College District is now using a mobile unit to bring adult education classes into Spanish speaking areas in Placentia, La Habra, Fullerton and Anaheim.

At present the unit, purchased September 1, has

been used to teach consumer education and for recruitment of minority and poor students to regular college classes.

Classes now run Tuesday through Friday at four locations in the district and are concerned with sewing, purchasing and selecting material, garment design,

modifying existing clothes, and saving money on dress making. There are now two instructors, Alicia Madara and Mrs. Esdrela Safford.

In Placentia the classes meet Wednesday morning at McFadden School. About 16 persons are now enrolled in the class. Those wishing to enroll may do so at the unit.

The program is federally funded so there is no direct cost to the district. According to Ed Muraski of the district, the program has been a real success. He commented that by using the unit the district can bring college classes to the people rather than forcing them to come to the colleges.

Orange County has been declared a "rabies" area by

the California State Health Department, according to a letter received by the city on Wednesday. Other counties so declared are Imperial, Inyo, Los Angeles, Riverside, San Bernardino and San Diego.

Valencia Wins One, Loses One In Tourney

In the first and second round of the 8th Annual Valencia Letterman's Basketball Tournament host Valencia High School lost to Santiago 62-47 and beat Santa Ana 80-63 easily.

The Cavaliers led the whole game but were only ahead by 10 at the half.

ED Plays In Laguna Tourney

Today, the El Dorado Golden Hawks will meet an unannounced opponent in the second round of the Laguna Beach Tournament.

The Hawks dropped their opening game to Foothill (who played in the finals), 79-73. El Dorado led all the way until Ray Schultz of the Knights got hot and scored 20 points in the fourth quarter. Bob DeWeese led all scorers with 30 points which tied the school record for the most points in one game.

In the losers bracket, the Hawks had a 12 point half time lead over Mater Dei and went on to build a 28 point lead in the early fourth quarter, winning 72-60.

Wrestlers Lose To Foothill

El Dorado's wrestling team lost to Foothill High School last Thursday and won't have another match until after Christmas vacation.

Crestview league power, Foothill beat the Hawks 35-18 to even ED's record to 3-3. Pins for El Dorado were Jeff Johnson, Larry Finklestien, and Don Mann. Tom Smith was the only other Hawk grappler to win as he won a decision, 7-4.

Secretaries Lunch At Airporter

Airporter Inn was the chosen site for the Christmas luncheon of Orange County secretaries, who honored their bosses. Representing Placentia was Mrs. Betty Bradford, and her "boss" Edwin Powell, city administrator. All secretaries of supervisors, city managers, and Local Agency Formation Commission members were present. The happy hour was 11:30 and luncheon was served at 12:30 p.m. The luncheon was held December 17.

Against Santa Ana Coach Bob Hamblin's club rolled by the Saints 80-63.

Valencia started early as they moved out in front 27-10 at the end of the first quarter, never being troubled by the hapless Saints.

Eleven Tigers got into the scoring column led by Echevaria's 24 points, which came in only 20 minutes of playing time as he was removed in the third period not returning for the Tigers.

VHS Wrestlers Enter Hawthorne Tournament

Tiger grapplers will be taking a week off for Christmas vacation before entering the Hawthorne High School Tournament on Tuesday, December 29.

Fullerton High's Indians slipped past Valencia, 30-21 in the fourth preleague game of the season on December 15. The Indians' last three wrestlers, Doug Humenny, Dave Duke and Tom Summerford pinned their Valencia opponents in the 165, 175 and

Cal State Sets Two Contests

Tonight at 8 o'clock the Cal State Fullerton Titans meet Stanislaus State here in the Titan gym.

Idaho State then brings its basketball team into Fullerton for a Wednesday evening game with tip off also slated for 8 p.m.

191-pound weight classes. Scoring for the Bengals were 95-pound Mark Periera, 5-2, 103-pound Richard Samaniego, 7-4, and 145-pound Larry Lopez, 7-6. Dean Chavez was the only Tiger to get a pin. Captain Ken Sarkis tied his Indian opponent, 4-4.

Tuesday, December 15 the Bengals dominated the Katella Knights, 41-14, in the KHS gym. Six Valencia wrestlers pinned their Knight opponents.

VHS Junior Teams Prepare For League

Valencia's frosh, soph, and JV basketball teams are busy preparing for league action.

Basketball players will take a break this week before entering into tournaments next week. Freshmen Tigers will enter the El Dorado Tournament on Monday, December 28. The JV team will be competing against Villa Park on the same date.

Valencia traveled to Los Amigos Tuesday where two of three teams returned home victorious. Coach Leon Simmons' frosh team suffered defeat 20-25 to the hungry Lobos. The sophomore team gained a decisive win over Los Amigos, 63-40. Gary Jones' junior varsity team found themselves outscoring the Lobos 49-43.

In Thursday's action against Mission Viejo, the freshmen cagers were able to sneak past their opponents 29-28. Sophomore Bengals were downed 53-49 in a hard fought battle. Friday the junior varsity squad hosted Mission Viejo in their final bout before winter recess.

Troy Loses To Foothill For First Season Defeat

Wednesday night Troy's Warriors suffered their first defeat of the season, losing to Foothill 52-50. The defeat came on a last-second basket by the Knights' Ray Shultz which sent Foothill to the finals of the Valencia tourney.

FJC Wins Two In Tournament

In the opening round of the 30th annual Chaffey Tournament Fullerton Junior College basketball team crushed Los Angeles Harbor 74-52.

Four Hornets scored in double figures with Steve Chidley hitting 24, followed by Phil Carlile with 14 and Rick Aberegg's 11. Ian MacKensie added 10 points.

In second round play FJC edged Glendale 77-76 in a come from behind win.

Aberegg and Chidley led all scorers, hitting 22 points each.

This coming Wednesday the team plays Saddleback here in the Hornet nest.

The day after Christmas the Hornets move into action in the Riverside Tournament.

Foothill led most of the game as Troy could only connect on 28 per cent of their shots. Tod Allen was the high scorer for the Warriors with 16. Dave Lingenfelder contributed 12 but freshman Mark Wulfmeyer was held to only three and Mike Rabel could manage only one basket. The loss puts the Warrior's record at 5-1.

Tuesday night Troy had disposed of highly-thought-of Mater Dei 78-68 to gain the right to play Foothill. Wulfmeyer poured in 31 and Lingenfelder had 12. The Warriors shot over 50 per cent for the third time this season.

Local Scouts Go On Historic Trail Hike

Troop No. 715 of Ruby Drive Elementary School, took a Historic Trail drive and hike a few weeks ago.

They followed the old Butterfield Stage Route from Corona to Vallejo, a distance of approximately 130 miles.

Along the road they stopped and viewed three stage stops, built approximately in 1858, which were either all originally as built or partially.

The Scouts saw where the road went into a box canyon and a re-routing took place to by-pass this obstruction in 1849.

The Butterfield Stage

Route was the only road that stayed open year round which went from St. Joseph's to California. There are still parts of the road visible.

The troop camped at Anza Borego State Park area and found numerous Indian Pottery pieces.
